### FLVS Flex Course List | Online Courses for Grades K-12

Learning math on my own pace has been extremely difficult so I resorted to cheating. Now I am  
scared of calling my teacher for a DBA in alg 2. I just hate this situation with a passion I wish I just  
had a district teacher but they had to put me on FLVS cause all the slots were taken. This isn't  
working out for me.

### Mathematics for College Readiness - Lee Virtual School

Math for College Readiness is a very easy course. With this being said, yes it wouldn't hurt to have  
another math credit; but to have another math credit in a math class that is very easy wouldn't help  
you either. If you *are* going to take a math class online, I recommend a different math course.

### Assignments 1.02 and 6.02 - Math for College Readiness

Hi I really need an answer about these flvs classes I posted about it earlier Marine science honors  
and math for college readiness Could I finish these classes quick AND easily getting A's in both ? (If

anyone has taken these on flvs please lmk asappppp!!!!!!)

### **MATH 4168/S : Math for college readiness - FLVS**

Hi, I am enrolling in Math for College Readiness on FLVS. I am really curious as to how difficult or rigorous this course actually is. The prerequisites for this course include Algebra II which I just finished on FLVS, but I found that it was a pretty tough course and it wasn't easy to finish. I finished with a B in the course just to compare with my potential grade in this course (Math for ...

### **Flex Math for College Readiness/Liberal Arts Math Lab ...**

Hi, I was wondering what your opinion was about the course Math for college readiness on FLVS? I plan on taking it over the summer and since I usually stay on task do you think I could finish it? (I should start early June and end mid August) Is the class difficult or easy in your opinion? How was the final and the quizzes or tests?

### **Math for College Readiness**

I need one more year of math before I graduate; i've already taken algebra 1, geo, and algebra 2. My mother suggested I take Liberal Arts Mathematics because math is not my strong point, but on the flvs site it says, Note: This course does not meet the academic core requirement for math for entry into the State University System of Florida or eligibility requirements for some Bright Futures ...
