Here you can easily find and purchase the latest 2019-2020 Map Update CD, DVD or USB for your Mini Cooper Navigation System. To help us identify the correct update for your system, please EMAIL us the part number from your old Sat Nav disc and/or photo of your navigation unit. As time goes on, new roads are built, and new developments pop up, your sat nav will inevitably become out of date.

MINI Connectivity

Page 3 Cooper Congratulations on your new MINI Cooper S This Owner's Manual should be considered a permanent part of this vehicle. It should stay with the vehicle when sold to provide John Cooper the next owner with important operating, safety and maintenance information.

USB format | MINI Cooper Forum

To further enhance the driving experience in your Mini Cooper S, you will want to learn how to use the many accessories that are included with your car. The radio functions were completely updated in the 2007 model year (the R-56 model), and the radio is fairly simple to use after learning how the interface works.
