James W. Pennebaker is the Regents Centennial Chair of Psychology and the Executive Director of Project 2021 at the University of Texas at Austin. He and his students are exploring the links between emotional experiences, natural language, and physical and mental health.

James W. Pennebaker

I've been an advocate of the healing power of journaling since my early days as a nurse, working in a critical care environment. Looking back it was a very forward thinking environment in that we were being introduced to the journaling at around the same time as American social psychologist Dr James W. Pennebaker,
