The Total Gym 1600 is actually about \$40 cheaper than the 1400 on Amazon, so unless you would rather pay a little more for the red version (the red does look better if you ask me by the way), you should save yourself the extra money and go with the 1600. The Total Gym 1600 is also very highly rated, it currently has a 4.7/5 user rating on Amazon.
