Over Here - David M. Kennedy - Oxford University Press

With this in mind, **Over Here** is an invaluable book for undergraduates and postgraduates of American history and politics, as it offers a thorough account of the American domestic experience during World War I, and how this experience altered American society and political values, both in terms of domestic and foreign policy.

Book Review: Over Here: The First World War and American ...

The First World War was a total war. In previous wars, the civilian population tried to steer clear of the war effort. Surely expectations were placed on civilians for food and clothing, and of course, since the 19th century, troops were conscripted from the general population.

The Great War of 1914-1918 confronted the United States with one of the most wrenching crises in the nation's history. It also left a residue of disruption and disillusion that spawned an even more ruinous conflict scarcely a generation later. **Over Here** is the single-most comprehensive discussion of the impact of World War I on American society.
