Haven't issued a refund My Complaint: I ordered their product DNAix Cell Rejuvenator and received a product that did not look like the advertisement. I called and they said they ran out of that item and substituted. I received the product on 4/15/14 and returned it on 4/29/14 and they signed the receiver on 5/1/14. I called and tried to get to someone that could help me, but they said the ...

Uncategorized - Very Personal Reviews

Phytotherapy is the use of molecules derived from plants for the treatment and prevention of disease. While herbalism also involves using plant-based medicine for natural healing, phytotherapy is a science-based medical practice that depends on clinical trials and biomedical studies to formulate effective phytoceuticals.

Herbalism is a traditional medicinal or folk medicine practice based on the use of plants and plant extracts. Herbalism is also known as botanical medicine, medical herbalism, herbal medicine, herbology, and phytotherapy.The scope of herbal medicine is sometimes extended to include fungal and bee products, as well as minerals, shells and certain animal parts. [1]

Herbal Medicine | Natural Herb

Isted has a slightly unusual background for a herbalist, working for luxury hotels, spas and restaurants to create concept drinks. His middle eastern clientele have required a non-alcoholic approach to cocktails and the influence of traditional Arabic ingredients and techniques can be found throughout the book.

beauty product review - figs and frogs -> Maximalista List

Natural and millennial medicine based on the use of plants, phytotherapy is widely used throughout the world for its effectiveness and the few side effects it generates. Used curatively or preventively, it is effective when it is well advised. Herbal medicine is a natural medicine based on the use of plants and their extracts.
