Home page - ARIAS•U.S - ARIAS•U.S - Improving Arbitration

Arbitration sounds like a term you might have found in a union dispute a few decades ago, but it is more and more common in the business world. You'll run across it in employment contracts, credit card agreements, and retail contracts all the time, so it's good to know what it means and how arbitration works. In particular, you may have seen a mandatory arbitration clause in a contract.
