They oversee the development of clothes which are targeted towards a particular market and price range.

Buyer (fashion) - Wikipedia

There is a business side of buying and you do need to have an analytical part of you, but you don't have to study business. I think it's more the practical experience that you ultimately get. So I always say to people: try it out, try out what you love. If you think you want to be buyer, go work a retail job, go intern during the summer.
