~~The Metabolic Syndrome: Some Second Thoughts? | Clinical~~

Second Thoughts: Selected Papers on Psychoanalysis. W. R. Bion. London: William Heineman Michial Books, 1967. 173 pp. Review by: Selwyn Lederman. The title of this slim volume (173 pages) refers to its structure. Dr. Bion collected a series of papers published between 1950 and 1962. He reread them and added a commentary to each paper.

~~Second thoughts : selected papers on psycho-analysis~~

Second Thoughts is a collection of papers on Schizophrenia, Linking and Thinking, and is a commentary upon them in the light of later work. Originally composed between 1950 and 1962, it derives its title from the lengthy critical commentary which Bion attached to these case histories in the year of publication, 1967, and represents the evolutionary change of position marked in his three ...

The clustering of several cardiovascular disease (CVD) risk factors (i.e., hypertension, dyslipidemia, and type 2 diabetes) and the association of such clustering with insulin resistance led investigators to propose the existence of a distinct entity called “the metabolic syndrome,”¹ which has been defined by reputable organizations^{2,3} and assigned its own code (277.7) in the World Health ...

~~Second Thoughts about Peppered Moths | Intelligent Design~~

Unwanted intrusive thoughts are stuck thoughts that cause great distress. They seem to come from out of nowhere, arrive with a whoosh, and cause a great deal of anxiety. The content of unwanted intrusive thoughts often focuses on sexual or violent or socially unacceptable images.
