Secured Transactions in Personal Property

A secured transaction is a transaction that is founded on a security agreement. A security agreement is a provision in a business transaction in which the obligor, or debtor, in the agreement gives to the creditor the right to own property owned or held by the debtor.

Secured transactions | Wex | US Law | LII / Legal ...

Usually, a secured transaction happens when a person or business borrows money for the purpose of acquiring property, including real estate, vehicles or business equipment. A security interest exists when a borrower enters into a contract that allows the lender, or secured party, to take collateral the borrower owns in the event that the borrower cannot pay back the loan.
