Snowflake - Wikipedia

A term for someone that thinks they are unique and special, but really are not. It gained popularity after the movie "Fight Club" from the quote "You are not special. You're not a beautiful and unique snowflake. You're the same decaying organic matter as everything else." Began being used extensively as a putdown for someone, usually on the political left, who is easily offended or felt they ...

Snowflakes

A snowflake is a single ice crystal that has achieved a sufficient size, and may have amalgamated with others, then falls through the Earth's atmosphere as snow. Each flake nucleates around a dust particle in supersaturated air masses by attracting supercooled cloud water droplets, which freeze and accrete in crystal form. Complex shapes emerge as the flake moves through differing temperature ...
