(RBLP-C) certification is
for middle managers.
Organizations need
middle managers that
can coach front-line
supervisors to build
resilient teams.

Organizations also
need middle managers
to facilitate team
learning. Learning is
how teams solve
problems and
overcome adversity in
the workplace.

Public speaking is the
act of giving a speech
or presentation to a
live audience with a
goal to inform,
persuade, or entertain.
Many people cite public
speaking as one of
their biggest fears, but
with practice, you can
learn to build

The self-study lessons in this section are written and organised according to the levels of the Common European Framework of Reference for languages (CEFR). There are videos of different conversations at work and interactive exercises that practise the speaking skills you need to get ahead at work and communicate in English.
