Fuzzy Bee and Friends (Cloth Books) was one of the first books my daughter took an interest in, and she has absolutely adored it since she was two or three months old. Liking it so well, we bought Squishy Turtle and Friends (Cloth Books). Priddy books started back in like 2002 or 03 and each of their books (Turtle, Bee, Chick) had about 10 pages of fun animal characters that included cute rhymes, tactile features, and fun sounds. Apparently, in 2007 or so they re-did the books and took them all down to 6 pages (some think it was a copyright issue, others say it was for safety reasons).
