~~The American Psychiatric Association Publishing Textbook ...~~

The American Psychiatric Publishing Textbook of Geriatric Psychiatry is an indispensable resource for psychiatric clinicians and trainees charged with assessing, diagnosing, and treating mental disorders in our nation's burgeoning population of older adults, as well as the nurses and other professionals who provide critically important care day to day.

~~The American Psychiatric Publishing Textbook of Psychiatry ...~~

The Textbook of Neuropsychiatry and Clinical Neurosciences, published more than 30 years ago, was the first book to address neuropsychiatric disorders in a comprehensive fashion. At the time of its release, patients often shuttled between psychiatrists and neurologists in search of help for these disorders, which are common, highly disabling, and a source of uncertainty for patients and their families.
