CathNews - Catholic practical theology?

Practical theology is an academic discipline that examines and reflects on religious practices in order to understand the theology enacted in those practices and in order to consider how theological theory and theological practices can be more fully aligned, changed, or improved. Practical theology has often sought to address a perceived disconnection between theology as an academic discipline ...

The Catholic Imagination: Practical Theology for the ...

Designed primarily for the layperson, "The Catholic Imagination" is a journey through the liturgical year by way of weekly reflections on the life of the church. Through reading, thinking, and discussion, the religious imagination is stimulated and structured so the reader can reflect and act upon the richness of our faith to enter into a relationship with God.

Introduction to Pastoral Theology | Union Resources

Church Life Journal is published by the McGrath Institute for Church Life at the University of Notre Dame. The McGrath Institute for Church Life partners with Catholic dioceses, parishes and schools to address pastoral challenges with theological depth and rigor.

The Catholic Imagination: Practical Theology for the ...

The Catholic imagination, with its diverse expressions of creativity and its compassed epistemologies of receptivity, refers to the faculty of creatures for critical, contemplative, and intellectual engagement with the living God. It is a habit of making and seeing with a long tradition to consider and continually retrieve. To follow its most articulate commentator, Hans Urs von Balthasar ...

their varied ministry careers. The ministers are a diverse group including Mainline and ...

Three Approaches to Practical Theology, Theological ...

More than this, the volume shows how a Catholic practical theological imagination is essential for the effectiveness of the Church's mission. Although focused on the work of Catholic researchers, there is ample evidence of contribution to the broader, ecumenical academy with which it is in dialogue.

The Catholic Imagination : Practical Theology for the ...

The study of pastoral theology is, therefore, both theological and practical and both about principles and people. Indeed, we need to be clear about our convictions. For example, a church is being plain foolish to ask someone to lead it without knowing what that person believes, or does so knowing that he has widely divergent views from its own.

Practical Theology - What is it?

Catholic social teaching is presented as an exercise in political imagination developing a deep concept of the human person (against effacement and the pathology of identity), an understanding of the permeability between micro structured and macrostructures (against toxic silence and pathologies of the social), and the recognition of a normative order (against pathologies of reason).

Learning Pastoral Imagination

The definition of one well-known seminary notes Practical Theology as, "Practical theology is the application of theological truth to all of life, particularly the life and work of the church." One English Puritan writer named Richard Baxter (1615—1691) has often been associated with the area of Practical Theology due to his authorship of a large, four volume book called A Christian ...

The Catholic Imagination | Andrew Greeley | download

They begin to regard the Catholic confessional state, the perennial political ideal in Catholic political theology, as “all well and good in theory” but, of course, “practically impossible in the modern day—and not appropriate for America.” A third symptom of worship at the pluralist altar is devotion to the Mother of Pluralism, Success.

Practical theology - Wikipedia

Among the world's religions, views on masturbation vary widely. Some religions view it as a spiritually detrimental practice, some see it as not spiritually detrimental and others take a situational view. Among these latter religions, some view masturbation as allowable if used as a means towards sexual self-control, or as part of healthy self-exploration, but disallow it if it is done with ...
