in ...

Babylon's AI will ask for more details and run through a list of other possible symptoms to determine whether you should go see a doctor or whether you can buy over-the-counter meds and send ...

Wax Fang - The Doctor Will See You Now

You'll probably wait for several hours until you hear "the doctor will see you now"-but only for fifteen minutes! Then you'll wait even longer for lab tests, the results of which you'll likely never see, unless they indicate further (and more invasive) tests, most of which will probably prove unnecessary (much like physicals themselves).
