~~Chapter 2—Brief Interventions in Substance Abuse Treatment ...~~

Individual Versus Group Substance Abuse Counseling Sessions Addiction is a serious problem not only in America, but all across the globe. Because substance abuse comes in many different shapes and sizes, substance abuse counseling options should be equally diverse. Alcoholics face different issues than those addicted to pain pills that have different problems than those [...]

~~What Will Happen in My First Therapy Session?~~

Substance abuse group counseling can be a highly effective technique to help someone overcome addiction to drugs or alcohol. Visit our blog to learn more.

~~Developing Clinical Skills for Substance Abuse Counseling~~

When a person first enters into addiction therapy, the first session will likely be a “get to know you” kind of format. Therapists will work to determine what kinds of things the person may need or want to talk about most, and what method of treatment or course of therapy may be the most beneficial.
