The Medium of Contingency | The MIT Press

In an unprecedented meeting of philosophical thought, financial markets, and the art world, The Medium of Contingency explores how works of art write contingency into the present, and are in turn written by the contingency of their materials, and how these exchanges interact with other markets.

Contingency Table. What is Contingency Table - Medium

About The Medium of Contingency. An unprecedented meeting of philosophical thought, financial markets, and the art world. Why has the concept of contingency taken on a marked importance both in contemporary philosophy and in contemporary art practice?

The Medium Of Contingency An

In The Medium of Contingency Elie Ayache builds upon his ground-breaking book The Blank Swan, in exploring the intersection of philosophy and finance, introducing new notions of price and market. Inverting the received view, he now sees a creation of matter in both the market and its metaphysics, rather than pure speculation. Once recognized as the proper medium of contingency and disassociated ...

This publication documents the discussion event held on 19 Feb 2011, The Medium of Contingency. The event brought together in discussion Robin Mackay (director of Urbanomic), Reza Negarestani (author of Cyclonopedia), Elie Ayache (author of The Blank Swan), Matthew Poole (freelance curator, writer, and director of The Centre for Curatorial Studies at The University of Essex

The Medium of Contingency: 9780993045899 ...

The Medium of Contingency Élie AYACHE Abstract Metaphysics has traditionally represented contingency via the modality of possibility. Contingent being is thought via the different being that it possibly can be. We claim that this mediation is an improper exchange of contingency. It collides with what Baudrillard calls the Impossible Ex-

Read PDF The Medium Of Contingency An Inverse View Of The Market

On the other hand, the contingency organizational theory works on the prescription which says that 'it all depends'. In other words, the contingency organizational theory spells out the relationship between an organization and its external environment and endeavors to fill a critical lacuna of the systems theory.
