The Once and Future King (The Twilight Zone) - Wikipedia

The Once and Future King is about White's experiences with war and tragedy -- these are mirrored in the childish foolishness and aged grief of the Wart, and muddled into the tragedy of Lancelot and Guenever. It is not always an easy book. It is very obviously a product of its own peculiar place and time, as all good Arthurian stories should be.

The Once and Future King Introduction
Arthur is known as the Wart in the first book and as King Arthur once he is crowned. He is a conscientious, slightly timid young boy who becomes king of England after being tutored by Merlyn. Arthur believes in justice and in doing what is right, but his faith in good sometimes makes him blind to the intrigue around him.
