Then the prince swung the dragon
straight up into the clouds, and when he
touched the earth again, he broke into a
thousand pieces. Out of the pieces there
sprang a wild boar and galloped away,
but the prince called his hounds to give
chase, and they caught the boar and

The prince closed his eyes tightly in an attempt to shut out the carnage. In the pre dawn hours, when the prince crept back from his dragon trysts, the road outside his father's castle usually remained empty. But not tonight.

Terrified refugees streamed into the protective walls of the castle.
