In *The Rational Peasant*, Popkin attempts to discredit the common assumption of moral economy and impose his own idea of political economy. Moral economists believe that peasant protest is a result of falling below a subsistence level (short-run security), or the loss of traditional institutions that "provided for peasant welfare (long-term security)" which often result as the imposition of a capitalist economy (5).

Moral Economy or Political Economy? The Peasants are Always Rational
PIERRE BROCHEUX James C. Scott (1976) and Samuel L. Popkin (1979) have presented models of peasant behavior in Southeast Asia. I will consider three principal points made by em, which are the keys to their models, in Vietnam: the village communities; the
