The String Quartets Of Bi

A string quintet is a musical composition for five string players. As an extension to the string quartet (two violins, a viola, and a cello), a string quintet includes a fifth string instrument, usually a second viola (a so-called "viola quintet") or a second cello (a "cello quintet"), or occasionally a double bass.. Twenty something years ago, horizontal bi-amping made a great deal of sense. One type of amplifier for the woofer sections, another for the top end. It made sense because amplifiers of those days rarely did everything well. Perhaps the big amps kicked booty on bass while grating nerves on the top end. Little tube amps were wimps on the bottom
