Coaching. An effectively managed team is like a well-oiled machine: when employees are on the same page and determined to meet the same goals, a company improves its chances of building customer loyalty, outshining the competition, and boosting the bottom line. However, like a car with misfiring gaskets, a company with employees who lack proper...

The coaching programs delivered an average return on investment of 5.7 times the initial investment in a typical executive coaching assignment -- or a return of more than \$100,000 -- according to executives who estimated the monetary value of the results achieved through coaching.

The Coaching At Work Toolkit

The APHIS Leadership Development Toolkit now addresses the needs of all APHIS employees, includes a separate section for each program in APHIS, and addresses updates from OPM (e.g., inclusion of the "developing others" competency and the addition of the Team Leader/Project Manager leadership level). The 2008 Toolkit was
