The theater was usually the only place the audiences to his plays would be exposed to fine, literary culture. To better understand Shakespeare's works, today's reader needs to go beyond the texts themselves to consider the context of these works: the details of the live theater experience during the Bard's lifetime.

Theatre is a \_\_\_\_\_ experience. communal, similar to religious services, sports events and celebrations. empathy. the ability to understand and share the feelings of another. Aesthetic Distance. the gap between a viewer's conscious reality and the fictional reality presented in a work of art.

*The Theater Experience*

The Theatre Experience prepares students to be well-informed, well-prepared theatre audience members. With an audience-centered narrative that engages today's students, a vivid photo program that brings concepts to life, and features that teach and encourage a variety of skill sets, students master core concepts and learn to think critically about the theatre and the world around them.

*[Weekender] Bringing the theater experience to homes*

The idea behind the tech was simple: to power the individual's experience and guide visitors through the set—a historic four-story building in New York City, rather than a traditional Broadway theater—while simultaneously creating a unique storyline for each of the show's 24 attendees and driving The Raven's narrative forward.

*Why The Movie Theater Experience Is So Important*

Christopher Nolan's "Tenet" remains the only major studio release that went through with a "normal" theater-only release. Next week will see the release of a sequel to "Borat" arriving exclusively on Amazon Prime, another movie that will forever miss the experience of hearing an uproarious crowd laughing along.
