Understanding Terrorism in Africa - Murdoch University

Since then, the African Union has adopted a number of other important terrorism-related instruments, such as the 2002 African Union Plan of Action on the Prevention and Combating of Terrorism (Mtg/HUG/Conv.Terror/Plan.(I)), which aims to strengthen the existing commitments and obligations of States parties, including to implement and enforce the 1999 Convention.

Causes and Consequences of Terrorism in Africa | START.umd.edu

Terrorism is not a new threat or concept for communities and governments in Africa. However, what is worrying is that Africans often use Western models to categorise terrorism, the tactics used and its impact. The result has been the development of double standards which have a negative impact on the understanding of terrorism in Africa. In

In the aftermath of the 11 September 2001 terrorist attacks in the United States (US), terrorism has increasingly become a new tactic of warfare and a key security threat, both in Africa and globally. 2 Terrorism is in itself an evolving global issue, and is among the most complicated and demanding security challenges for the international community. On the African continent, for instance, terrorism has continued to affect people's fundamental human rights both directly and indirectly ...

Understanding Terrorism in Africa

African countries have experienced relatively high levels of terrorism. Terrorism has been linked to the theory of deprivation, but the extent to which terrorism is an economic good can be explained using a rational choice model of economic agents. Terrorism is also possibly motivated largely by existential other-worldly goals.

2920 ISS in Search of an African Voice Final

Terrorism, in its various incarnations, has plagued Africa for many decades. It has manifested itself in various forms, depend ing on time and space. For this reason, the history of terrorism in Africa should not be seen as a single progression from one point or level to another. It is variegated and nuanced. Similarly, the
