Communicating Conflict Multilingual Case Studies Of The News Media

Communicating Conflict: Multilingual Case Studies of the … “Communicating Conflict makes an important empirical contribution to media and language-in-the-media research. The volume also stands as a useful methodological how-to, providing readers with a concrete, case-study-by-case-study guide that illustrates the application of appraisal theory analysis.” – Journal of Sociolinguistics,

“OBJECTIVITY” AND “HARD NEWS” REPORTING ACROSS CULTURES … Alice Marie-Claude Caffarel-Cayron (born 1961) is a French-Australian linguist. She is Honorary Senior Lecturer in Linguistics at the University of Sydney.Caffarel is recognized for the development of a Systemic Functional Grammar of French which has been applied in the teaching of the French language, Discourse analysis and Stylistics at the University of Sydney.

Peter White | Arts & Social Sciences - UNSW This paper uses case studies to investigate how globalization influences language education policies and practices in multilingual countries. The case studies that we have drawn from the four nations of South East Asia - Afghanistan, China, India, and Nepal offer insights for other multilingual nations of the world, as they portray the …

Communicating Conflict: Multilingual Case Studies of the … "Communicating Conflict brings together a collection of multilingual case studies drawn from the international media. The contributors use methodologies drawn from Critical Discourse Analysis and Systemic Functional Linguistics to explore how these texts overtly or covertly advance particular value positions and world views."--Jacket.

My publications This article provides a linguistic analysis of facts and viewpoints in a British-Peninsular Spanish sample of newspaper reports written about the Second Lebanon war (2006). Almeida’s (1992) category system for the analysis of factuality and nonfactuality, and Martin and White’s (2005)
Appraisal framework were used to analyze journalistic ideological subjectivities underlying all factual ...
