Cultivating Communities Of Practice: A Guide to Managing...
Overview Cultivating Communities of Practice is a manual and guide created by a community of authors in order to help businesses and organizations more thoughtfully and intentionally steward the knowledge of the community for the benefit of the whole. They understand that energy and “aliveness” about any topic is not created or manufactured, but simply cultivated.

COMMUNITIES OF PRACTICE
All of Cultivating Community’s programs are rooted in the idea that everyone has the right to good food. We empower New Americans by teaching them sustainable farming practices and connecting them to the community through our food hub.

Cultivating Communities Of Practice: A Guide to Managing...
In Cultivating Communities of Practice, consultants Etienne C. Wenger, Richard McDermott, and William Snyder take the concept to another level by describing how these groups might be purposely developed as a key driver of organizational performance in the knowledge age.

Cultivating Communities Of Practice: A Guide to Managing...
3/25/2002 In a new book, Cultivating Communities of Practice: A Guide to Managing Knowledge, the authors offer a practical guide to making knowledge work inside an organization. In this excerpt, the authors detail seven design principles for cultivating communities, everything from “design for evolution” to “combine familiarly and excitement.”

Cultivating Communities Of Practice: A Guide to Managing...
A growing number of people and organizations in various sectors are now focusing on communities of practice as a key to improving their performance. This brief and general introduction examines what communities of practice are and why researchers and practitioners in so many different contexts find them useful as an approach to knowing and learning.

Cultivating Communities Of Practice
Cultivating Communities of Practice is the second book from Wenger which is only about Communities of Practice (COP). The first book was a little dry and academic (and intended to be), but this book is your typical business book, which makes it easy to read.

Cultivating Communities Of Practice: A Guide to Managing...
Unfortunately, Cultivating Communities of Practice fails to meet this need. In their desperation to be friendly to a non-academic audience, the authors have avoided anything challenging to conventional management thinking, watering down the original and valuable concepts of the earlier books.

Cultivating communities of practice What elements to ...
Communities of Practice are everywhere (Wenger, 1998). While this may be the case, it is possible to examine an organisation and find empty spaces where oppo...
