Cape May County is the southernmost county in the U.S. state of New Jersey. Much of the county is located on the Cape May Peninsula, bounded by the Delaware Bay to the west, and the Atlantic Ocean to the south and east. Adjacent to the Atlantic coastline are five barrier islands that have been built up as seaside resorts.

Introduction to Meiobenthology | SpringerLink
Meiobenthology is the science of the tiny animals that live in huge numbers in all aquatic sediments. This fully revised and enlarged second edition emphasizes new discoveries and developments in this field.
