Home
Competencies:
Counselors who are multicultural and social justice competent are in a constant state of developing attitudes and beliefs, knowledge, skills and action (AKSA) that allow them to effectively work with clients from a multicultural and social justice framework. The AKSA competencies
are embedded within the counselor self-awareness, client worldview and counseling relationship domains described above.

Social Justice Counseling

"Social Justice Counseling is the next step toward alleviating the injustices faced by individuals in society and it is a natural
extension of multicultural counseling. Issues of social justice are dominating conferences across the mental health disciplines, with a greater focus on alleviating broader social inequities such as equity, access and fairness for each individual.
SOCIAL JUSTICE
Since its conception, CSJ has been a consistent voice for counselors involved in social justice work. Founding members believed in fostering increased levels of empowerment, psychological liberation, critical thinking, and the importance of having a social justice voice within ACA and the counseling profession.
